

Morning Pickleball Club Members,

The SUN IS SHINING TODAY! Hah, it heard our request to bring us all outside. Hopefully, we will all be together “playing openly” on the Regency Courts soon and then hiding from the sunlight under the new shade covering.

Special thanks for attending our first, “Open Membership Meeting”. Over 120 members attended. A great start to what will be another exciting Regency Pickleball Club Season. Stay current on our “regencyatmonroepickleballclub.org” website!

Remember, reach out with any questions or concerns. Our Pickleball Board meets every Tuesday.

With well deserved words of thanks, I must once again, thank the board. Bill Shuzman, our board Secretary, for taking the most detailed and concise minutes of our meetings, keeper of our By-laws, and providing a clear and thoughtful opinion of our concerns. Jay Gumnick, Treasurer, thank you for handling our money with precision, as well as providing regular, clear financial statements. Bob Zyontz, Communications, and Word Master. Bob keeps our club informed and relevant-Club Blast, Memos, Regency Reporter...”Oh

My!”. Harriet Bloomenstock and Phyllis Greenberg, our Membership Team. Thank you both for greeting all members, collecting dues, and maintaining member information and records. Eva Nyman in charge of our Social Events. Eva has had this position for the last four years, and she is never at a loss for fun ideas with GREAT NAMES! Gary Ramella, does everyone know who Gary is? Gary is running Clinics, as well as the League and Tournament this year, along with overseeing our club website. Is it possible for Gary to do one more thing! Gary is fulfilling the additional commitments this year, so Bobby Harris can organize and run the NEW PICKLEBALL INTER-COMMUNITY LEAGUE, as well as his involvement with Monroe Senior Softball and a future Regency Event (which will be announced). Bobby, are you not exhausted!

NOW-WE NEED YOU! Our club is grateful for more members getting involved and joining club committees. As it is said, “More hands make light work!”. It is important to keep our club growing and thriving!

Keep in mind the upcoming elections in October. We will be getting job descriptions out to you.

Happy Spring and Happy 2025 Pickleball Season!
See everyone on the courts!

Come Pickle with US,
Lisa
