

# Regency at Monroe Pickleball Club

Come Pickle with **US!**

## Commitment, RSVP, and Pre-Registration **Put Some “Spring” in Your Serve**

All 2025 members in good standing are invited to join us for **Put Some “Spring” in Your Serve**, a special night for the Club as we celebrate the change of season.

**When:** Saturday, March 29, 2025

**Where:** The Pickleball Club at Monroe

**Time:** 6:00 PM – 8:00 PM

**RSVP (members only) by:** February 1, 2025

This evening of pickleball fun is being offered exclusively to members who are signed up for the 2025 season. To help get a full head count for how many are available to attend, we ask those considering membership in the Club to sign up and, if interested, pre-register for the event.

It is the Board’s responsibility to deliver events that are affordable, cost-effective, and reflect a prudent use of Club funds. [Our ability to finalize this event is based on enrolling 60 participants.](#) No money will be collected at this time, and we will reach out to all pre-registrants shortly with more information, including cost, which should be around \$15.00 per person to help offset the Club’s subsidy.

If you’re fully signed up for 2025 and want to “Put Some Spring in Your Serve” please RSVP at [regencyatmonroepickleballclub.org](https://regencyatmonroepickleballclub.org) to pre-register and make this another awesome night.
