

Annual Pickleball Reunion Held In Delray Beach

By Bob Zyontz

The morning of February 11, 2026, saw Delray Beach, Florida, morph into ground zero for members of the Regency Pickleball Club and several former residents as they descended upon the Huntington Pointe active adult community for the fourth annual Regency South Pickleball Reunion.

Organized by master planner Bobby Harris, hosted by everyone's favorite cowboy, Bob Jaclin, and graced with wonderful weather by Mother Nature herself, the event attracted snowbirds from towns all across south Florida including Boynton Beach, Singer Island, Boca Raton, and Naples.

There were 19 highly motivated participants who showed up to play and socialize, including Roe Spinelli, Alan and Karen Wurman, Mark and Arlene Goldberg, Bob Isaacs, Bob Jaclin, Susan Doria, Bob and Helen Zyontz, Bobby Harris, Sandy and Gail Smith, Mozey Ghaffari, Steve Selby, Stan Wainberg, Steve Gelwarg, Jay Sachs, and Barry Siskind.

For two fun hours, spirited play was the operative term accompanied by friendly competition, laughter, and camaraderie – qualities inherent in all members of the Regency Pickleball Club. And the day did not end once play was over. Cowboy Bob arranged for the group to have lunch at the café in the Huntington Pointe clubhouse. That delicious meal capped off a great day and was followed by fond farewells as everyone parted ways until the spring when they re-group for the start of the outdoor pickleball season.

This was another in a series of memorable gatherings down in south Florida, and a welcome break from the cold, dreary weather that hovered over the region this winter. Kudos to Bobby Harris and Bob Jaclin for making it happen. And you can be a part of it too. If you plan on wintering in Florida and love playing pickleball, get this on your radar for next year. It's well worth it.
